

Please indicate when your student will be available

This is the most important part of registration: please note slot timing is the most difficult to change later.

Please try to offer as many times as possible (at least 10) when your student can commit to being available.

Please color **ALL** white slots to show your availability

Please use colored crayons to completely fill in this timetable. Please be as generous as possible with accepting potential slots (to increase chances that I can schedule you). **For each slot in the week, please use this color code:**

← **These times would be great for us if possible – we commit!**

← **We also commit to these times, but they are not our first choice.**

← **If these were assigned we would take them, but it's not ideal.**

← **These times are absolutely not possible for us.**

← **I usually don't tutor at these times, but request them if you wish.**
